Provision of Footpaths/Cycle Lanes on the Moyglare Road

The committee considered the following question in the name of Councillor Murray:

*Can the council update the committee on work to prepare for the provision of
footpaths/cycle lanes on the Moyglare Road that are anticipated to be required for the
schools opening in September 2017?*

A report from the Roads, Transportation and Public Safety department was circulated to the members advising that the Municipal District Office has recommended this section of road as a worthy candidate project for capital funding in 2016/2017.

In response to a query from Councillor Murray, the Municipal District Engineer informed the members that the decision would be made shortly.

Resolved that the report be noted.
